

Student Life

“You’re Alive at the University of Luzon!”

The blurb: **“You’re alive at the University of Luzon”, is not an idle assertion.**

Come to think of it, various academic, leadership and socio-cultural organizations abound in the university. UL is truly an academic, leadership and cultural haven which will promote and transform the wholistic development of our youth.

Consider these strings of organizations: the Supreme Student Council, Junior Philippine Institute of Accountancy, Commerce and Secretarial Student, Electronic Learning Information Technology Enthusiast @ University of Luzon – Computer Studies, Criminology Supreme Student Council, Liberal Arts Students Council, Medical Technology and Pharmacy Student Council, College of HRM, Tourism and Applied Technology Student Council, College of Engineering and Architecture Student Council, Junior Personnel Management Association of the Philippines, University of Luzon Management Society, University of Luzon Marketers’ Accord, University of Luzon Student’s Finance League, Young Entrepreneurs’ Society, among many others.

Further, believing that culture is the highest expression of education, this institution has put the highest premium in promoting performance and appreciation of the arts.

UL is proud to be the cultural hub of Northern Luzon. Its cultural arm consists of the University of Luzon Theatre and Dance Company, the UL Chamber Choir and the famous UL Drum and Bugle Corps, a Hall of Fame National Champion.

Its performances are known to be always ingenious and spectacular. Apart from participation in competitions, the ULTDC, ULCC and the ULDBC regularly hold public performances to the delight of Pangasinenses. Every city and provincial activity is considered extra special if the parade or the program includes any of the three cultural arms of the university – the acknowledged university treasures and ambassadors of goodwill.
