

- HEADLAMP

Brand: Petzl Pixa 1, made in France

Description: It is a rugged headlamp offering lighting that allows the user to work comfortably on tasks close at hand. CONSTANT LIGHTING technology: brightness does not decrease gradually as the batteries are drained (two lighting modes – low and high). Depending on the need, it may be worn on the head, mounted on the helmet, or placed on the ground.

Energy: 2 AA/LR06 batteries (included)

Battery compatibility: rechargeable Ni-MH and lithium

Watertightness: IP 67 (waterproof to -1 meter for 30 minutes, no maintenance required after immersion) 60 Lumens

Certification (s): CE, ATEX : Zone 2/22, ANSI/NEMA FL1

Brand: Princeton Tech APEX, made in USA

Description: The pinnacle of waterproof LED headlamp design, Apex incorporates a single Regulated Maxbright LED plus four Regulated Ultrabright LEDs. Apex is capable of a powerful spot beam or a bright flood, and two switches make changing modes intuitive. The four Ultrabright LEDs come in your choice of red, green, or white. Proprietary heatsink technology allows the LEDs to burn brighter and longer. Apex is compatible with alkaline, lithium, and rechargeable batteries. 275 Lumens.

Batteries: 4 AA Alkaline, Lithium or NiHM Rechargeable
UL Approved
