

WATER RESCUE TOOLS

- WATER ROPE

Brand: PMI, made in USA

Size: 10mm x 61m
10mm x 200m

Description: The continuous stranded polypropylene core provides flotation to the wear – resistant braided nylon sheath.

This rope has a higher breaking strength than economy polypropylene water rescue rope, and is much easier to grip. Yellow with blue tracer thread.

Brand: Austral, made in Australia

Size: 11mm x 100m

Description:

Construction: Static Double Braided
Material: High Tenacity UV
Stabilized Polypropylene
Cover & Core: 100% Polypropylene
Breaking Strength: 17kN

Brand: Manila Cordage Terypro Rope, Philippine made

Description: Combination of synthetic fibers: Its polypropylene fibers provide Terypro good creep strength. Its polyester content gives it a great capacity to disperse heat.
